BUY ART NOT PEOPLE is a Chicago-based grassroots initiative that engages artists to raise awareness and funds to combat modern slavery.

Modern slavery is defined as "People forced to work without pay, under threat of violence and unable to walk away." There are over 27 million men, women and children in slavery today, more than at any other time in history.

Proceeds from our December 4<sup>th</sup> event benefit The Not For Sale Campaign, which aims to equip and mobilize Smart Activists to deploy innovative solutions to re-abolish slavery in their own backyards and across the globe.

---

Join us **Dec 4<sup>th</sup>** for a silent auction of artwork by Chicago artists, a screening of the Oscar-nominated short film *Kavi*, and music by local band Canasta.

Tickets and more information are available at:
